

DIY GUIDE

Print the Poster

- Print this file at 100% scale. Use single-sided printing only.
- Do NOT resize or "fit to page."

Trim the Pages

- Cut off the white borders from each page.
- Do not cut off the areas labeled "Glue." These areas are required for assembly. Some printers may partially trim the edges of the glue areas, so use the image on the right as a reference when trimming.
- Carefully align the pages by matching edges and artwork.

Assemble the Poster

- Apply glue or double-sided tape to each area marked "Glue."
- Assemble the poster in this order:
 - First attach pages 1 & 2
 - Then attach pages 3 & 4
 - Finally, attach the two completed halves together

Frame the Poster

- Once fully dry, frame the poster. Framing is required to ensure proper display and compliance.
